Re: RCRA Hazardous Waste Compliance Inspection, June 20, 2006
KSD 007 246 846
Sedgwick County

Dear Mr. Stewart:

Based on the information our office received on August 28, 2006 and the e-mail I received on October 9, 2006, violation # 1 cited during the RCRA inspection referenced above has been corrected. Additionally, the Kansas Department of Health and Environment, Bureau of Waste Management is rescinding Violation 2, K.S.A. 65-3441(a)(4) illegal disposal of hazardous waste.

Please be aware that a report of this inspection is submitted to the Bureau of Waste Management (BWM) in Topeka for review. Each report is reviewed and an evaluation is made to determine if additional enforcement is warranted. A penalty may be issued by BWM for violations identified during this inspection.

Your cooperation with the hazardous waste management program is appreciated. If you have any questions regarding this letter, you may contact me at (316) 337-6039.

Sincerely,

Debbie Travis
Bureau of Environmental Field Services
